

KIRA SNODGRASS

Facilitator

Kira Snodgrass (CYCw, BHSc) has been receiving disclosures of sexual violence since 2019, as a Child & Youth Care worker while working with at risk youth in a housing first program. Kira then transitioned to working in the sexual violence sector, while completing her BHSc. There she was able to gain experience working as a member of Lethbridge's Sexual Assault Response Team, receiving disclosures, as well as providing support and advocacy for those impacted by sexual violence. Upon moving to Calgary in early 2023, Kira began working at CCASA on the Calgary Sexual Assault Team as a Sexual Violence Support Counsellor. At the end of 2023, Kira joined CCASA full time as a Sexual Violence Educator. Kira became a First Responder to Sexual Assault & Abuse Training Facilitator in early 2024.
